Sophie Faigaux joined the Firm as Office Manager in November 2020. She is in charge of the smooth running of the reception, all administrative aspects of the office, communication and marketing.

She has more than eight years experience in providing services within large multinationals, including management teams in various sectors (real estate, mobility, administration, reception and security).

She holds a socio-educational diploma (2012).

Besides the position she holds within the firm, Sophie is also known as an artist photographer.
